mill with 9 $\frac{1}{2}$ Bushels corn borrowed of Mrs
Hunt to be returned next spring. Lila &
Jordan cutting & shelling for corn 2 or 3
brillly showers to day went to Mrs Coleman
& Rented out her Hillfield plantation the

1849 August 19 quite Cool this morning. In night
 gone to Mrs McCullochs Heathcote 5 to
 go to School with Mildred Ann & M. of
 they Board her for nothing - Mely Stage
 here some & to change about, cloudy
 20th Mely Ann & McCulloch starts to school.
 Mrs Mallup same long as leatheren 5.
 Raised Henry House & Horag House new stable
 Successing & morning Tobacco. this day -
 21st Henry & Ed given to Mrs Lewis to Run Run
 Successing & morning Tobacco. He, as Hat
 a day, as I said feet. in my life I think
 some little appearance of Rain in evening
 22nd clear morning. a little foggy in Southern
 Tapping Tobacco. Morning & Successing. Henry
 Fanny W. went to Charlotte with Miss Rister
 & Mrs. D. Hunt, started last Thursday - she left
 Mr. Martin a Clerk Rister stayed here last
 fixed Clerk in Sinking Road. gave him a \$1.00
 23rd Morning Tobacco & Chubing in new ground
 Henry Sawing down Barn this House
 A fine Rain in evening, Lela spinning
 24. Same work to day. nearly done grinding
 25 Fanny W. returned from Charlotte
 morning Tobacco. This morning Shrubing corn
 field. Henry haling Nails for hog pen
 26 - went to association Buffalo clear hog pen
 27 Henry Sick, Shrubing Corn field
 28. Morning & Successing Tobacco. Hoping
 Henry still in House clear & dry bad
 Henry had Croup Croup last night very
 29. Scraping off wheat yard this morning
 morning & Successing Tobacco. clear & dry
 Tapping Tobacco. - went to Mrs Coleman, to Hup
 to see Mr East.

30th & 31st Aug. Mowing & Suckering Tobacco
Machine can hire 31st from Mr Lewis about
11 O'clock. They then we got a start at
Commenced Raining, & rained a good shower on
covered the wheat with straw after we discom-
ed that it was going to be with me then
round up did Rained sure enough. but in the
night
31st Sept. ground very wet & the machine doing
nothing spring H H —
Began to machine wheat between 1 & 2 O'clock
a evening two night put up 4 stacks straw
at Mr Lewis, 3 hands come —
2 Hanne or Hester went to Green field
Jerry better than he has been for several days
3 began again to thrash wheat from day
at Mr Lewis, 3 hands & 2 from Mr Hunt
came & we finished & carried the machine
to James Whitehead, got done about night
4th day Thrashing Oak Creek Wheat
4 also & Ann gone to Mrs Coleman to
pull fodder & its turned out to be cloudy
& a little rain, Suckering & mowing Tobacco
Hanne gone to Mrs Hunt after 10th Bushel
corn making 4 bbls but in —
Hanne out some wheat to make flour this
morning — also & Ann returned at 12.
5. Mowing & Suckering & sloping Tobacco
On Branch & Let. Henry gone to Glenn
Moll & 10 Bus. wheat for flour 5th Bus. corn
for meal. Turned cooler. I am going to
Mrs McCullochs & Riceville to day —
6 Pulling Blade fodder after morning
all hands, my wife went to Mrs Coleman
7. also gone to Mrs Coleman, to pull fodder
Mowing & Suckering Tobacco on new ground
Far ahead this morning to don killing
Mr Myers & Henry pulling slabs, Laying up fodder
this evening.

- 8th Sept 1845 Finished Successing Tobacco. Tying up
all fodder spelted. Riving Boards for Barn
- 9th Clear fair day for muling
- 10th Pulling fodder Riving boards for
Barn & finished - Clear & fair day -
- 11th Pulling fodder & gathering to stacks
Hacking up Boards, H.C. H.C.
Also gone to Mrs Coleman's to kill fodder
We are trying to finish pulling our fodder today
- 12 Tying up all day our Blades & covering
Tobacco House. Cloudy nearly all day.
Mr. Ogier fanning up Tobacco House & closing
House door, & make shutter, H.C. H.C.
- 13 Gathering fodder together to stack & tying
up some hilling & mowing & burning tobacco
cloudy this morning
14. Mowing & Successing Tobacco Fanning
Out a Load of Wheat - Tobacco, stacking
15. Mowing & Successing
fodder have put up 6 stacks to this morning
10 stacks put up in all this night Double stacks
- 16 Mowing & Successing big Second Grass ground
Thin for cutting Our top fodder, have
not cut a plant of Tobacco yet fanning
Fanny W commenced mowing corn between this morning
- 18 Waggon started to Lymington with 35
or Forty Bushels Wheat & Mr McCallister
with something like 60, say 40. & Mr Mugg
put up 12 stacks fodder began yesterday
to cut our tops & again today
- 19 Began to cut - big Second Grass ground
& cut stacks did not quite get over the top
20. This morning cool & raining cleaning out
Hacking away chaff H.C. H.C. & Tobacco stalks
Hacked up 1, 2 & 3 corn & cut some tobacco

- Out 2 Akles Wheat. Fed minding center 5 hours
 like spinning. Rained smartly during the day -
 1st cutting tops this morning & shocking up
 the cloudy & cool. Henry did not get back before
 22 Wagon got back yesterday evening
 being gone nearly 4 days, we finished
 cutting our tops & shocking yesterday ^{2nd}
 This morning we mowing & minding our
 branch & making scaffolds then for ^{cutting}
 cloudy like for Rain & the barometer
 at about 2 little ahead. Yrs ground & it Rained
 & got all the Rain that fell. Henry at evening
 began to Chick & fix new Barn. Sent for
 Bushels of grain to mill this day -
 23rd Beautiful a little cool - have not cut
 much of our Tobacs yet, a good deal ripe
 24. Cutting. Have finished over once big second
 Yrs ground little do & little new ground, ^{begin this}
 evening on. Branch weather cool, - ^{night set} cut our own
 25. Housing. Even this morning little barn at second
 Yrs ground cut three pretty Tobacs not large
 26. Cutting in new ground this day -
 27. Finished cutting our new ground & Halling my
 Barn cloudy like for Rain little cool
 28 Halling ^{to Barns} ~~over~~ ^{to} Jerry's Barn mowing
 & minding over to day. School this week
 29 Finished mowing & minding our Tobacs
 Hiring Jerry Barn made top stock frame
 Hunk Walling Rocks fixing new Barn to
 put Tobacs in, or helping him digging ^{to} ~~the~~ ^{the}
 Char moderate weather ^{Rain}
 30 Fall ~~steady~~ ^{cloudy} & warm like for
 31 we have finished our Barn Halling in
 little new ground & getting up lot fodder like
 for Rain in evening. Thunder ^{cloud} pop by evening
 2 Cloudy This morning all our ^{tops} will be caught
 as we have not finished no part of the stack
 all gathered in. Pity - Jerry 2 Barns Tobacs
 finished this night Rain some in Barn & little in ^{the}
 3rd but all the Tobacs in we have cut & filled now.

- Oct 4th 1849 Calling Tobacco pruning Tobacco
gathering Pumpkin, &c
5th Mr Mill cut ^{our Tobacco} all this morning but our
new lot & big new ground giving 3 Bars
morning & evening over lot new ground
6 Rained nearly all day - spring shoe making
7 Quite Cool & Cloudy no frost yet; Mr
Hannell & J. W. gone to Mrs Coleman's to day
8 Halted up a load of Corn & shucked
it out & began to throw down Tobacco Sticks
10 Saw wheat Halted up some Tobacco
